

WHAT IS A SCAM?

A scam is a scheme or situation deliberately set up by someone to deceive you and often to take money from you dishonestly.

Unfortunately, some landlords/letting agents advertise properties that don't actually exist or ask students for large amounts of money before disappearing and never contacting them again.

In order to help protect you against falling for one of these scams we've created a check list of things you should do before you sign a contract for a flat or hand over any money:

SRC ADVICE CENTRE

GUSRC'S TOP 10 TIPS FOR AVOIDING HOUSING SCAMS

1 SEARCH ONLINE FOR INFORMATION ABOUT THE LANDLORD/LETTING AGENT

ALWAYS google the landlord/letting agents name and the words "scam" and/or "fraud", it's possible that if there's a problem with the landlord/letting agent someone will have posted about it on the internet previously.

2 CHECK THE PROPERTY ONLINE

ALWAYS check the property exists and is in fact private rented accommodation (and not a shop or a warehouse or something!) by putting the property address into Google Maps and looking at it on Google Street View.

3 CHECK THE LANDLORD IS REGISTERED WITH GLASGOW CITY COUNCIL

ALWAYS check the landlord is registered with Glasgow City Council's landlord registration section, you can do this by searching the property address and landlord's details here:

landlordregistrationscotland.gov.uk.

This does not guarantee absolute reliability and honesty but is something of a positive indicator. Any doubts, please come in and speak with us. Similarly, if you are renting a property which requires a House in Multiple Occupation (HMO) licence you can check if the landlord has this by contacting Glasgow City Council's HMO unit: 0300 343 0414.

4 CHECK THE TENANCY AGREEMENT

ALWAYS check the tenancy agreement before sending any money to the landlord/letting agent, the SRC Advice Centre can review this for you and you can email us a copy of the contract to check before you sign if you aren't able to come in and see us.

5 CHECK THE DOCUMENTATION

ALWAYS check that any documents which supposedly prove ownership of the property are genuine and legal in the UK. Please note it is not necessary to see proof of ownership before you rent a property – it should be enough to check the landlord registration (see above). If you are in any way unsure, get in touch with the SRC Advice Centre.

6 KNOW WHAT YOU ARE PAYING FOR

ALWAYS think carefully before handing over money to a landlord/letting agent for anything other than rent/deposit or utility bills, if you aren't sure if you should be paying a bill or fee to the landlord/letting agent get in contact with the SRC Advice Centre. Be wary of landlords who insist on payment in cash. If you can, try and pay by bank transfer, standing order or cheque as it is easier to prove what has been paid. If you have to pay in cash always make sure you get a proper receipt, dated and signed by the landlord.

7 APPEARANCES CAN BE DECEPTIVE

ALWAYS remember that just because an advert is hosted on a supposedly reputable or well-known website, it doesn't guarantee the person posting the advert is to be trusted.

8 DON'T HAND OVER YOUR PASSPORT DETAILS

NEVER under any circumstances provide your landlord/letting agent with a copy of your passport or visa documents, there is no legal reason for them to hold this information and it is not a legal requirement for agreeing a tenancy under Scottish law.

9 KEEP TRACK OF YOUR MONEY

NEVER send money to a landlord/letting agent via Western Union as this is untraceable, if you are transferring money to a landlord/letting agent do so via bank transfer. If they insist on cash or Western Union they may be trying to deceive you.

10 BE AWARE OF ADVANCE PAYMENTS

NEVER pay anything other than rent or a deposit in advance, if the landlord/letting agent is trying to charge you for anything else it may be a scam. Also only pay the rent or deposit in advance once you've carried out the steps above and are happy with the contract the landlord/letting agent has offered.

It is strongly advised that you view the accommodation yourself before you pay any money or sign any contract. We realise this may be difficult for students coming from abroad, but it may be worth staying in short-term accommodation (e.g. a hotel or hostel) for a few days whilst you view different properties. Alternatively if you have friends or family in Glasgow already you could ask if they will view a few flats for you before you arrive, to ensure the offer of accommodation is genuine.
