## 9. Spending Limits

### **Sabbatical Positions (Spring Elections only)**

Candidates must submit receipts for any spending on their campaign before 4pm the day after voting closes. Copies should be emailed to [elections@src.gla.ac.uk](mailto:elections@src.gla.ac.uk).

**Candidates must not spend more than £100.**

### **Non-Sabbatical Positions**

Candidates are encouraged to keep receipts for any spending on their campaign made within the campaign period, should any allegations of overspend arise.

### **Candidates must not spend more than £25.**

These are not targets or guidelines for what candidates should spend but are an upper limit of what is permitted. Candidates should feel no pressure to spend to the limit as campaign spend and electoral success do not correlate. Candidates are encouraged to think creatively about how they are engaging with students during the campaign period.

Only members may make an allegation of overspend by a candidate. Any allegation must be made in writing to the Deputy Returning Officer ([elections@src.gla.ac.uk](mailto:elections@src.gla.ac.uk)). No allegations received 48 hours after the announcement of results will be investigated or considered.

The Returning Officer shall decide whether to investigate any allegations of overspend and retains the right to invalidate the nomination of the offending candidate or disqualify a successful candidate subject to their discretion.

If it is not possible to produce receipts of spending on campaign materials, then materials will be counted at the average cost of comparable material purchased by other candidates.

## **10. Infringements**

Any behaviour leading to an infringement of these or other rules governing an election should be reported to the Deputy Returning Officer (via [elections@src.gla.ac.uk](mailto:elections@src.gla.ac.uk)) or the SRC President, who will immediately inform the Returning Officer. The Returning Officer retains the right to invalidate the nomination of the offending candidate or disqualify a successful candidate subject to their discretion.

## **11. Voting**

All elections will be held by secret ballot which will normally be online and will be decided by the following single transferable voting system:

- Online ballot papers will be marked in order of preference.
- Voters will have the option to spoil their ballot paper by clicking on the appropriate box.
- In the Spring elections, all sabbatical positions and uncontested positions will allow students to vote to "Re-Open Nominations."
- The number of votes required to secure elections shall be:

$$\frac{\text{Total No. of Votes Cast} - (\text{Total No. NTS})}{\text{Number of Vacancies}} + 1$$

*Number of Vacancies* +1

This figure will be referred to as the quota.

NTS = Non-Transferable and spoilt votes.

- When there is more than one seat for a particular position to fill then when a candidate reaches or exceeds the quota and is elected, all that candidate's votes are transferred to the next preference, assuming the next preference has not been elected or eliminated.
- If no candidate in any count fulfils the quota the votes cast for the bottom candidate in the count will be divided according to the next available candidate. If more than one candidate ties for bottom place in the count, the candidate with fewest first preferences will be eliminated. If this occurs in the first round, it will be decided by drawing lots.

## 12. Recycling During Elections

Campaigning can create lots of waste and mess across campus. As a candidate you are responsible for ensuring that all your campaign materials are removed from campus before the results are announced. Please encourage your voters and fellow campaign team to recycle any used materials.

## 13. Results

- i. The Returning Officer will supervise the results of the election.
- ii. The declaration of results shall take place after the election ends at around 6pm on Thursday 24<sup>th</sup> April (location will be publicised on SRC media platforms).
- iii. In the event of a tie, a by-election will be held for the seat in question. All questions relative to the validity of an election must be submitted to the Returning Officer within 48 hours of announcement of the result. Decisions on any such questions shall be made by the Returning Officer, who may consult with the Secretary of the University Court. If any election is declared invalid, a by-election will be held.
